Mr. Rich Camgros  
Shamrock Materials  
P.O. Box 80844  
Petaluma, CA 94975

Dear Rich,

Team Ghilotti, Inc. would like to thank your firm for donating the concrete and necessary building materials for our crews to replace the walkways surrounding the Field House at the Casa Grande High School Baseball Fields.

As you know, the "snack shacks" were recently targets of vandals and suffered severe damage due to fires.

We're proud that local businesses like Shamrock Materials Inc., who supplied the concrete, and The Dutra Group, who supplied the gravel, can join forces with Team Ghilotti to make a project become a reality for our Petaluma community.

Team Ghilotti, Inc. welcomes the opportunity to partner with Shamrock Materials in the future for upcoming charitable ventures to mutually benefit our community.

After all, as native sons and long-time residents, we've always believed in giving back to our community.

Sincerely,

Glen Ghilotti  
President  
Team Ghilotti, Inc.
